Todd's Valley Area Evacuation Signs

The Foresthill / Iowa Hill Fire Safe Council would like to introduce the residents of the Todd's Valley area, to our new EVACUATION SIGNS. These signs are posted on strategic STOP sign posts. The signs are blue with a white reflective "E" and directional arrow. These signs are to assist you with evacuation to specific shelter sites during an emergency. We ask that you take the time to acquaint yourself with these routes, and shelter locations. This will help you and Emergency Services during an emergency. In the event of an emergency, you will be informed of the evacuation site being utilized. Please follow these signs to the Designated Evacuation Shelter, unless you are directed differently by law enforcement. These signs are to assist in making the community Fire Safe.
